Hello!

My name is Dr. Eric Seders. I wanted to take a moment to introduce myself and let you know how humbled and excited I am that Dr. J. Everett Cameron has trusted me to take over for him at his dental practice as he eases into retirement. As we move forward, we will be updating the practice name to Sound Dental. I am grateful for this opportunity and also happy to let you know that you will still have the opportunity to see Dr. Cameron while he works alongside me through this transition. It is truly a win/win as I cannot wait to meet all the wonderful patients Dr. Cameron has served and now Dr. Cameron will have a little more time to do one of the things he loves most in life - fishing!

I was born and raised in Greensboro, North Carolina and attended North Carolina State University where I earned my bachelor's degree in human biology and master's degree in Physiology. I then attended Virginia Commonwealth University School of Dentistry where I earned my degree in dentistry. I am affiliated with the American Dental Association and North Carolina Dental Society.

I have a great passion for helping others through dentistry and also a great love of the beach! The combination of the two led me to the Crystal Coast of North Carolina.

Away from dentistry, I enjoy spending time with my friends and family, boat days at Cape Lookout, traveling to experience the cultures of the world, cooking ethnic cuisines and staying active outdoors. I am an avid college football fan, and spend most Saturdays in the fall in Raleigh watching my beloved Wolfpack.

I look forward to serving you and the community of Morehead City and beyond. Should you have any questions, my team and I are happy to help. We're a quick call away at (252) 247-6704.

Take care,

Eric Seders, DDS
